

HONEYWELL 2025 TRAINING CALENDAR

Modular Systems

Honeywell

UNLOCK YOUR POTENTIAL WITH TRAINING

Honeywell is proud to offer Training for Experion LX, Experion HS and Honeywell Controllers

Honeywell is committed to enhancing the competence and confidence of our customers by delivering high-quality application training focused on PMC Modular Systems. Our comprehensive training program is designed to build proficiency in Honeywell's control system offerings, including controllers and DCS/SCADA systems relevant to PMC applications.

Standard PMC Training Modules Include:

- EXPERION LX / HS / HMI
- EXPERION DCS / SCADA Controllers
- CONTROL EDGE HC900 / MasterLogic PLC
- Field Device Manager (FDM)
- Upskill Training for PMC Systems
- Training Certificate Renewal

To reserve training, please email to senthil.balasundaram@honeywell.com

MODULAR SYSTEMS TRAINING COURSES

AMERICAS TRAINING (4 HOURS PER DAY)

This course is designed for individuals who require foundational knowledge in control systems, with a focus on ControlEdge PLC applications. It is particularly beneficial for new hires and personnel involved in commissioning activities using PLCs, as well as those working in confined space operations.

COURSE NAME	LOCATION	START DATE	COURSE LENGTH	TIME ZONE	START TIME
CE PLC – Advanced Programming Logic: Function Block Diagram-English	Remote	15 Sep 2025	12 Hrs	EST	7:00 AM
CE PLC – Advanced Protocol Configuration: DNP3, Modbus & User Defined Protocols-English	Remote	06 Oct 2025	12 Hrs	EST	7:00 AM
CE PLC – Advanced Protocol Configuration: OPC UA, Ethernet/IP & HART-IP Protocols	Remote	29 Oct 2025	12 Hrs	EST	7:00 AM
CE PLC – Advanced Protocol Configuration: CDA Responder, IEC60870-5-104 Outstation & PROFINET Protocols	Remote	05 Nov 2025	12 Hrs	EST	7:00 AM

EUROPE TRAINING

Foundational control systems training on Experion LX, HS & Honeywell controllers—ideal for new hires, commissioning, and confined space ops with hands-on deployment insights.

COURSE NAME	LOCATION	START DATE	COURSE LENGTH	TIME ZONE	START TIME
Experion LX Operations and Maintenance -English	Remote	13 Oct 2025	3 Days	UK TIME GMT+1	10 AM
Experion HS Operations and Maintenance-English	Remote	03 Nov 2025	3 Days	UK TIME GMT+1	10 AM
ControlEdge PLC Controller Configuration and Control Strategy Implementation - English	Remote	17 Nov 2025	3 Days	UK TIME GMT+1	10 AM
Experion LX Operations and Maintenance -English	Remote	13 Oct 2025	3 Days	UK TIME GMT+1	10 AM

MIDDLE EAST TRAINING

Learn control systems with Experion LX, HS & Honeywell controllers—ideal for new hires and commissioning teams, with practical deployment insights.

COURSE NAME	LOCATION	START DATE	LENGTH	TIME ZONE	START TIME
Experion LX - Configuration and Control Strategy Implementation	Remote	03 Dec 2025	3 Days	UTC+4	9 AM
CE PLC/RTU - Advanced Programming Logic (Function Block Diagram)	Remote	17 Dec 2025	3 Days	UTC+4	9 AM
